

Maintenance Capability List - QEC

Piece Parts

LBA/FAA Capability List

Hinweise:

- Wenn eine Komponente oder Baugruppe in der Capability List (CL) aufgeführt ist, so besteht kein Bedarf die Einzelteile der Komponente oder Baugruppe aufzulisten.
- *Once the component or subassembly is identified on the Capability List (CL), there is no need to list the individual parts contained in that component or subassembly*
- MTU-BB muss die angemessene Ausrüstung, Personal und Technische Dokumentation haben, um an jedem Artikel, der in der Capability List gelistet ist, den aufgeführten Capability Level durchzuführen.
- *MTU-BB must have the proper equipment, personnel and technical data to maintain a work scope for each article listed in the Capability List i.a.w. the listed Capability Level.*
- XXX in der Partnummer bedeutet eine beliebige Zahlenkombination mit der Einschränkung, dass es sich um ein Teil entsprechend den zugelassenen Instandhaltungsunterlagen (Manual, IPC) handelt.
- *XXX in the Part Number means any number combination with the restriction that this combination is a part in accordance with the approved maintenance Data.*
