Welcome to the Farnborough International Airshow. We have designed this map to help you easily navigate your way around the show. Your main route through the site is the ‘Farnborough Way’ – the brown path on the map. The site is split into four key zones so that you know where you are. Look out for the beacons which will show you which zone you are in.

The zones are Shilling, De Havilland, Whittle and Cody. We have designed this map to help you easily navigate your way around the show.

Your main pedestrian entrance to the exhibition halls is from Gate B. Here you will find cafés and restaurants, conference rooms, the media centre and exhibition halls.

Hall 1 is accessible via the East Foyer (by Gate B), the West Foyer and via exhibition hall 1. In the exhibition hall you will find the Space Zone and the Innovation Theatre.

Hall 2 is accessible via Farnborough Way (by Gate B), the East Foyer and via exhibition hall 2. Here you will find country pavilions from the UK, Belgium, Czech Republic, Italy, Portugal, Republic of Ireland, Thailand and Russia.

Hall 3 You will find country pavilions from Austria, Holland, Indonesia, Korea, Malaysia, Morocco, Mexico, Romania, Slovakia, Spain, Ukraine and the US.

The Innovation Theatre will be hosting the FINN Sessions with keynote speakers and panel discussions on key topics affecting the industry.

If you are thinking of exhibiting at FIA2020, visit the FIA-Sites Suite and find out about our on-site packages.

All details correct at time of going to print. Layout and aircraft subject to change. For latest information please see www.farnboroughairshow.com or use the airshow app.
