Betreff: RE: Renewal TCCA No. 813-22 MTU Aero Engines AG

Good day Mr. Schneider,

To answer your questions; the correct TCCA approval number is 813-22 but to have a "0" in front of your approval number has no bearing. There will be no additional approval from TCCA for your company and no further invoices as your company is rated as a component AMO to which requires no renewal application and fees.
