Dividend notice

The Annual General Meeting of MTU Aero Engines Holding AG held on April 22, 2010 voted for a dividend for fiscal year 2009 in the amount of € 0.93 per share to be paid on each share entitled to dividends.

The dividend, which will be subject to deduction of 25 percent German withholding tax and 5.5 percent solidarity surcharge on the tax withheld (a total of 26.375 percent) by the depository bank, will be paid out as from April 23, 2010.

For **shareholders subject to taxation in Germany**, the dividend will be paid out without deduction of withholding tax and solidarity surcharge if they have provided their depository bank with a "Nichtveranlagungsbescheinigung" (certificate issued by the competent German tax authority confirming that they are not subject to a German tax assessment procedure). The same applies in whole or in part to shareholders who have submitted an exemption application form to their depository bank, provided that the tax exemption amounts allowed for in this application have not already been exhausted by other investment income.

For **foreign shareholders**, the withholding tax and the solidarity surcharge withheld may be reduced pursuant to the existing agreements for the avoidance of double taxation between the Federal Republic of Germany and the respective foreign country. Applications for the refund of withholding tax must be submitted to the German Federal Central Tax Office, 53221 Bonn, Germany, no later than December 31, 2013.
